Martha's Vineyard Community Foundation - Scholarships

General Information

Estamos oferecendo suporte individual em português para solicitação de bolsa de estudos! Envie um e-mail para info@marthasvineyardcf.org para obter mais informações e marcar um horário de reunião.

Please answer the following questions to the best of your ability. All required questions are marked with an asterisk (*). You will not be able to submit your application if all required questions are not answered. You may start and stop your application as needed, the application will save your answers as you go.

The Martha's Vineyard Community Foundation's Scholarship Committee looks favorably at applications where it is clear that the student has invested time and effort. It is important for the information submitted in your application to be truthful, complete and *timely*. Timeliness is especially important with Letters of Recommendation -- letters older than one year will not be accepted.

You must click the '*Submit*' button at the end of your application. If you are applying for a music scholarship, be sure that you have uploaded audio files before submitting; otherwise, your application will not be accepted. If you are applying for the Blankenship-Hughes award made to a graduating MVRHS senior, be sure that you have saved your essay in the text box where prompted or you will not be considered for that honor. ONCE THE APPLICATION IS SUBMITTED YOUR RESPONSES MAY NOT BE CHANGED.

All uploads should be in PDF format *only*. If you need to convert a document to PDF format, you may find document converters online. If you have any questions, please contact Elizabeth Bennett at elizabethbennett@marthasvineyardcf.org.
